Dear David:

I have received an invitation to attend the dinner to be given by the Board of Governors of B'nai B'rith on 10 November, honoring you for your many creative and enduring achievements which have contributed so much to the welfare of the American community.

Unfortunately, I have had to regret this invitation because of an official engagement of long standing which I cannot change. I did not want to decline, however, without advising you and saying that this honor is most appropriate. I know of no one more deserving than yourself.

With warmest regards,

Sincerely,

Allen W. Dulles
